

IQ.Web Student Reference Summary

Access IQ.Web through the Albright “Quick Links” section at the top of the Albright website. Internet Explorer is the browser recommended by the vendor.

For undergraduate and ESL students, your login is the same as your official Albright email address minus the ‘@albright.edu’. DCP student’s login id is the same as your Blackboard login id. Accounts are created for undergraduates, ESL, DCP, and DSP students.

Your password is the first initial of your first name and first initial of your last name followed by the last 4 positions of your social security number. For example, John Student’s password is js1234. Remember to use all lowercase letters. It is recommended that you change your password from the default password.

The image shows a vertical navigation menu for 'Albright Student'. At the top, it says 'Albright Student' in red. Below that is a row of five icons: a person, a question mark, a house, a printer, and a green arrow. The menu is organized into several sections, each with a red header and a list of items with blue right-pointing arrows:

- Navigation**
 - Personal Calendar
 - Change Roles
 - Home Page
